

**ProfitPay**

Corp2Corp

Controlling costs and creating more profit on every transaction matters to all businesses. Often on payment transactions between businesses, the fees are higher than a standard peer transaction. **By implementing a new payment system, those costs could be eliminated while earning cashback on each payment.** Your business matters and with ProfitPay by PayCertify, you're in the driver's seat to higher profitability.

We provide a comprehensive, mobile-friendly, and easy-to-use dashboard for managing your virtual cards.

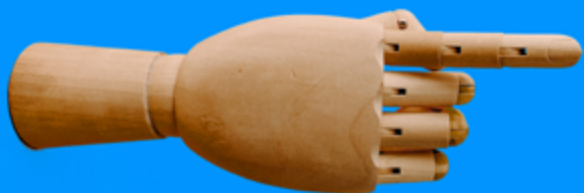

Not only will you be automating and monitoring your expenses but making up to 2% cashback on each transaction.

With these cashback funds generating in real-time, you will be able to move money across all accounts seamlessly and instantaneously.

## **A huge advantage to international businesses**

ProfitPay has the ability to eliminate cross-border fees when transferring funds to another participating business. Once your fellow businesses are users or partners of the ProfitPay virtual card wallet, they will be connected to our platform to easily support the use of virtual cards and be able to share funds with all parties instantly.

PayCertify has the best solutions to help you make more profits through payments. Start now and scale faster at the click of a button:
