Vendor Payments: Earn money while paying bills

Every merchant in the world has bills and vendors to pay. Until now, the easiest way to make these payments is to link them to your bank account, but this can leave you vulnerable to compromise. **Now with the ProfitPay app, you can automate those payments while [earning cashback](#) for using that same bank account.**

ProfitPay not only takes the tedious task off your plate but earns you up to 2% cashback with every transaction.

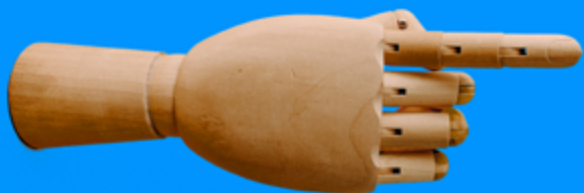

Not only will your payments be made to work for you, they will run through a secure and frictionless environment.

Pay any vendor in the United States, Canada, and Europe - even if they don't currently accept card payments.

Ease and flexible

You have the freedom to issue **as many virtual cards as needed to cover your expenditures** while also selecting whether they will be single-use or reloadable. Any virtual card assigned to your account can be canceled any time and a new one issued easily and immediately. Once you check out the solution for yourself, **making the switch to ProfitPay will be a no-brainer.**
