

ProfitPay

Up to 2% cashback on every transaction

You can earn up to 2% cashback just by having a bank account in the US. The ProfitPay Virtual Cards solution **will earn you money on every transaction you make, all in a secure and simple to use environment.** A rapidly growing alternative to standard credit cards, ProfitPay is feature-rich and simple to use. Let every purchase you make start working hard for you, **creating money where it never existed before.**

Any consumer or business can earn cashback in real-time while having the added security of a robust virtual credit card.

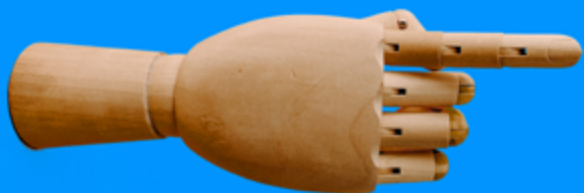

Your account credentials are created in seconds, and a new secure card is presented every time you want to make a transaction.

Even your debit card can be turned into a cashback machine once activated in the app.

Cashback on every transaction

Within seconds of making a purchase, you will be notified with details of your cashback. **These funds can then be transferred to any bank account, a new virtual card, or any digital wallet instantly.** With a wallet involved, it will allow people with virtual cards to send and receive funds to each other and also spend at Brick and Mortar merchants.
